

STIC-ILL

~~Ref. 48. C67~~
Adams

\$ 19.00

From: Ly, Cheyne
Sent: Monday, November 24, 2003 11:52 AM
To: STIC-ILL
Subject: ILL_Order (09939962)

1: Glock M, Hermanussen M, Keller E, Hartmann KK.
Gulliver G-100 - A new device to evaluate daily growth measurement in
comparison with Harpenden stadiometer.
Horm Res. 1999;52(6):287-90.
PMID: 10965209 [PubMed - indexed for MEDLINE]

2: Nathwani NC, Unwin R, Brook CG, Hindmarsh PC.
Blood pressure and Turner syndrome..
Clin Endocrinol (Oxf). 2000 Mar;52(3):363-70.
PMID: 10718835 [PubMed - indexed for MEDLINE]

3: Terzolo M, Matrella C, Boccuzzi A, Luceri S, Borriero M, Reimondo G, Pia A,
Rovero E, Paccotti P, Angeli A.
Twenty-four hour profile of blood pressure in patients with acromegaly.
Correlation with demographic, clinical and hormonal features.
J Endocrinol Invest. 1999 Jan;22(1):48-54.
PMID: 10090137 [PubMed - indexed for MEDLINE]

4: Arias P, Kerner W, de la Fuente A, Pfeiffer EF.
Abnormal growth hormone levels in insulin-dependent diabetic patients under
continuous subcutaneous insulin infusion and intensified conventional treatment.
Acta Endocrinol (Copenh). 1984 Oct;107(2):250-5.
PMID: 6388208 [PubMed - indexed for MEDLINE]

5: Calabrese G, Buetti A, Santeusano F, Giombolini A, Zega G, Angeletti G,
Cartechini MG, Brunetti P.
Continuous subcutaneous insulin infusion treatment in insulin-dependent
diabetic patients: a comparison with conventional optimized treatment in a
long-term study.
Diabetes Care. 1982 Sep-Oct;5(5):457-65.
PMID: 7188333 [PubMed - indexed for MEDLINE]
